Mission Statement

THROUGH ORCADIA, WHICH IS AN INCLUSIVE ARTS EDUCATION ORGANISATION, WE WILL PROVIDE COMMUNICATION ARTS TO EVERYONE ON THE BASIS OF A SHARED AND EQUAL INVOLVEMENT.

Principles

1. We agree to defend and develop the concept of sensory learning for ALL.
2. We believe that everyone can learn through sensory learning - and has a need to be expressive.
3. Regardless of need, we believe that all the work we do must lead to everyone having the right to inclusion.
4. We understand that to gain inclusion for everyone that there will be occasions where we give an 'exclusive' service to individuals.
5. We will create and maintain an environment where people can feel safe to be expressive.
6. We hold that everyone within the organisation will be required to have an active and shared involvement.
7. We will not develop our services beyond the scope of our resources.
8. We acknowledge that no principle or practice can ever be infallible or sacrosanct and because of this we will continue to develop and learn.
